What your Patients Deserve

NDC #	Strength	Package	ABC
16729-561-01	100 mg	100ct Bottle	10261208
16729-562-01	300 mg	100ct Bottle	10261240
16729-563-01	400 mg	100ct Bottle	10261233

Did you know?

- ◆ More than half of prescriptions are for rheumatoid arthritis.*
- ◆ A significant number of prescriptions are written for 100mg, 300mg and 400mg doses.*
- ◆ Per drug labeling, “Do not crush or divide hydroxychloroquine sulfate film-coated tablets.”*
None of the hydroxychloroquine tablets supplied to the market are scored, which can result in incorrect dosing and wastage.

* Sources: IQVIA NDTI and Accord’s approved PIL
